

A Report on Seminar on Services in Museum(design studio)by Er.Heramb Kulkarni, Kolhapur on 23/9/2019

A seminar on Services in museum was organized by the fourth year faculty members. The seminar was for the students to guide them in their respective design projects.

Students were addressed regarding the services, various technologies and norms and also how they should relate it in their design. Different systems of AC's, lighting systems, fire safety norms for a public building were spoken about.

Students achieved information about various services to be considered while designing a public building.

Prof. Snehal Damugde and Prof. Manjeet Jadhav along with visting faculty members Ar.Pramod Kulkarni, Ar.Abhinandan Magdum were present.

Er. Heramb Kulkarni explaining and answering queries of the students during his Seminar.
