Held On : 19th Sep 2019

Organised for : S.Y Students ( Div A & B )

Time : 11:00 AM to 12:00PM

**Event:**

Workshop was conducted on 19<sup>th</sup> Sep 2019.

Inauguration & felicitation was done by Prof.I.S.Jadhav

Organiser's : Prof.Madhu .Mithari  
Prof . Gauri.Kulkarni  
Prof. Bela Joshi

**Aim** : To teach all students Film making techniques, Time management, spaces , story & editing

**Outcomes:**

Film making play several role , they fulfil media which can be categorized into Functional & Symbolised purpose

It gives maker the opportunity to showcase their art .

They are great way to develop your film making skills & creativity.

They are used to convey a strong emotion to audience , wheter it is anger , sadness , laughter,

Film makers can expand reality , deepen moral sensibility & shape self understanding, sometimes moving to culture, problems & realities

Workshop on ‘ Short Film Making ‘ was beneficial to all students.

Mr.Vidyasagar also showed two videos :

1<sup>st</sup> **ZOO - Directed by Bert Haanstra ( Holanda )** was based on expressions of Human & Animal .

2<sup>nd</sup> **Short Film: An Occurrence at Owl Creek Bridge (1962) dir. Robert Enrico**

– Tells the story of a Civil War civilian prisoner, condemned to death by hanging from a railroad bridge .Noted irregular chronology and unexpected, twist ending.

–

Mr, Vidyasagar’s Seminar emphasized on further improvisation of the Film making carried out and also motivated the students to work towards the development of the ‘Short Film Making’

Mr, Vidyasagar’s also commented on the Films made by students on the topic ‘ Childhood games ’

And asked them to improvise & motivated them to make good films.
