**Ar. Snehal Shah delivering the presentation**

He addressed the students from first year to fourth year regarding History and How do architects get inspiration or idea to start a project to which students gave various answers. He later gave a

presentation on history in which he pointed out that facts of history never come to us as pure. They are reacted by minds of authors. That history means interpretation. According to him, history is continuous process of interaction between historian and his facts, an unending dialogue between present and past.

MOC was done by Prof. Madhulika Bhumkar and vote of thanks was given by Prof. Snehal Damugade.
