Brief description of the activit

Faculty members and students of the School of Architecture visited the exhibition “**Girish Doshi – A Life in Architecture**” at Kolhapur on **26th December 2025**. The exhibition showcased the architectural journey of Ar. Girish Doshi through drawings, sketches, models, photographs, and documentation of his significant works. The visit provided an opportunity to understand design concepts, detailing, and architectural expression through real project exhibits.

Outcome of the activity:

- Improved understanding of architectural design and presentation techniques
- Exposure to professional architectural works and design philosophy
- Enhanced visual learning through drawings and physical models
- Motivation and inspiration for students toward creative architectural practice
