Brief Description of the Activity:

An expert lecture was organized on 17th July 2025 by Dr. Rupali Kavilkar, Faculty at KLS Gogte Institute of Technology, Belagavi, for the students of Fourth and Final year.

Outcome of the Activity:

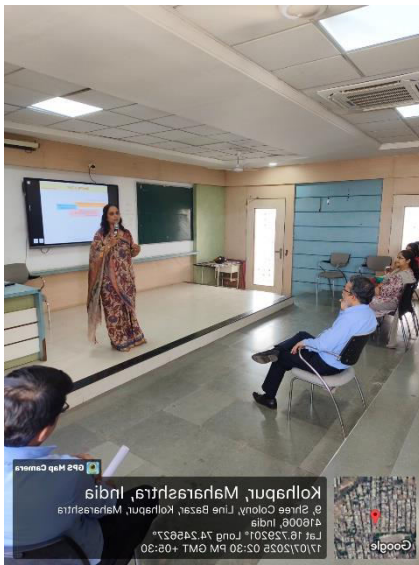

The speaker introduced research in architecture as a systematic and structured process, using relevant examples for clarity. She discussed how to identify and address key issues such as social, cultural, technological, historical, and environmental factors when selecting a thesis topic. The importance of conducting a feasibility check before finalizing the topic was emphasized. She also explained the significance of literature reviews and
